

# SREE CHITRA THIRUNAL COLLEGE OF ENGINEERING

PAPPANAMCODE, THIRUVANANTHAPURAM, KERALA-695 018

(Established in 1995 under the Government of Kerala)

Recognized by AICTE, Affiliated to A.P.J. Abdul Kalam Technological University

Phone : 0471-2490572 / 2490772, 9495565772 Website : www.sctce.ac.in, E-mail : principal@sctce.ac.in

Year wise and program wise list of students of approved by the affiliating university- APJ Abdul Kalam Technological University, Kerala.

2015-2016					
Name	Gender	Register Number	Admission Number	Date of Admission	Program
<b>BIOTECHNOLOGY AND BIOCHEMICAL ENGINEERING</b>					
Sinjo Johnson	Male	LSCT15BT061	160121	08-07-2016	B.Tech

## Vision

To become an Engineering and Technology institution which is renowned for producing professionally capable and socially responsible Engineers.

## Mission

To create a learning process for students to acquire engineering fundamentals, in an environment that encourages analysis, team work, entrepreneurship and ethical values, thus preparing them for productive careers.

## Vision

To become an Engineering and Technology institution which is renowned for producing professionally capable and socially responsible Engineers.

## Mission

To create a learning process for students to acquire engineering fundamentals, in an environment that encourages analysis, team work, entrepreneurship and ethical values, thus preparing them for productive careers.

## Vision

To become an Engineering and Technology institution which is renowned for producing professionally capable and socially responsible Engineers.

## Mission

To create a learning process for students to acquire engineering fundamentals, in an environment that encourages analysis, team work, entrepreneurship and ethical values, thus preparing them for productive careers.

## Vision

To become an Engineering and Technology institution which is renowned for producing professionally capable and socially responsible Engineers.

## Mission

To create a learning process for students to acquire engineering fundamentals, in an environment that encourages analysis, team work, entrepreneurship and ethical values, thus preparing them for productive careers.

College of Engineering

### Vision

To become an Engineering and Technology institution which is renowned for producing professionally capable and socially responsible Engineers.

### Mission

To create a learning process for students to acquire engineering fundamentals, in an environment that encourages analysis, team work, entrepreneurship and ethical values, thus preparing them for productive careers.
