Comments from Student

Sl. No	Strength and Weakness	Comments
1	good at teaching but less explanations	good teacher
2	not giving marks to the correct answers saying it is not from her note.	scolding students when going to correct answer papers
3	extremely partial to certain students with regards to marks as well as unfair treatment in class	Does not organize lectures or syllabus and has childlike egotistic behaviour in class
4	Poor teaching skills. She doesn't send any notes at the right time. After sending notes, she said that the notes are incorrect and she won't send note anymore. She doesn't know anything regarding the text book. She accuses every student for not bringing projector remote, even though we are not responsible for it. She doesn't give enough marks for our answers and blames those as local points. She doesn't give attendance to those students who are late for class within 4-5 minutes.	Kindly ask her to behave like a mother to all the students. Blaming the students for unwanted reasons won't make her a better teacher. I'm sorry to convey all these, but saying for the sake of all the students, teaching staffs and SCT College
5	Not in good mood always. It may give negativity to students. Sometimes takes lectures with unpleasant nature.	
6	Very poor teaching skills. Sends us notes with incorrect answers and reduce marks for writing these in exams. Doesn't share the notes she uses to teach in class. Never give enough time in class in write down the notes.	Is not helpful at all. Treats students like they have committed a great crime. Doesn't know anything other than how to punish them.
