

INSIGHT DAY 1

<i>Venue:St. Johns</i>	Date:04/07/2019 Time: Duration:1 hr	No of participants:4	Type of Activity:Cmty
----------------------------	---	----------------------	--------------------------

Details

If four things are followed - having a great aim, acquiring knowledge, hard work, and perseverance - then anything can be achieved.

-A. P. J. Abdul Kalam

Reaffirming its stand that Education is the best solution to poverty and development, NSS SCTCE in association with Insight project decided to embark on a journey to educate the students of schools on the importance of Mathematics and the means to easily understand and apply mathematics which would exponentially assist them in their higher education. The volunteers of NSS SCTCE were explicitly trained to enlighten the minds of the students to make the students fall in love with this subject. The project was carried out for several days covering vast topics like algebra, integers, fractions, decimals among others. The project helped the students as well as contributed to reshaping the younger generation of the country.

HELP DESK DAY 1

<i>Venue:SCTCE</i>	Date:09/07/2019 Time:09:30am-3.30pm Duration:6hrs	No of participants:3	Type of Activity:Cmty
--------------------	---	----------------------	-----------------------

Details

“There is no exercise better for the heart than reaching down and lifting people up.”

— John Holmes

NSS SCTCE organized a help desk at the campus on 9/07/2019 at the college premises intended to be beneficial for the students who are new to the world of a college education. The volunteers of NSS SCTCE mingled with the freshers putting them at ease while providing them insight into the working of the college as well as the various conducts expected of them in the college. The help desk helped the students get adjusted to the institution and enabled them to complete the registration procedures dismissing the complexities that the freshers might have endured. Reaffirming its stand on a Greener Future, NSS SCTCE distributed seeds to the new students.
