Campus hiring 2023

Dear Professor,

Greetings from Cognizant!

As we conclude Campus Hiring 2023, we are happy to share the **first set of the most awaited results for interviews** conducted for **GenC and GenC Elevate hiring categories**. We will publish the next set of selects soon.

Our **heartiest congratulations** to the selected candidates on their stellar performance. We look forward to welcoming them into the Cognizant fraternity.

We would like to extend our gratitude to you for your collaboration in our virtual recruitment process. Your support helped us make it a success. We truly appreciate the partnership between Cognizant and your esteemed institution, which has helped candidates identify their place with us, as we engineer modern businesses to improve everyday life.

Please find the results attached herewith for your college.

Note: Few of the selected candidates will receive a mandatory self-learning module and assessment, based on their performance in the Communication Assessment. Completion of this would be mandatory prior to joining Cognizant as full time employees.

Important:

- The LOI (Letter of Intent) will be released to the selected candidates **post 30th Oct**. Acceptance of LOI within the timeline mentioned will only be considered as the offer acceptance & we will keep you updated on the progress
- At any point in time, if the self-profile declared by the student during the registration process is found to be false or if the student is found to have indulged in any sort of malpractice at any stage, this confirmation will be withdrawn
- The selected candidates are subject to internal audit process. In case, any observation is found to be inappropriate, it will lead to a withdrawal of the selection

We look forward to our continued association!

For further queries, please contact sijo.malayilthomas@cognizant.com and Mahima.ThankamRaju@cognizant.com

Regards,
Human Resources – GenC

Note: If selected, candidate will join as a fresher as no prior work experience will be considered.

Disclaimer:

Dear **Prerajna Bhat S.**,

Congratulations!

We are pleased to offer you the position of **Engineer** in our organization.

The main terms and conditions of your employment are given below:

- **Training and Confirmation:** The first three months of your employment at QBurst will be a period of training followed by another three months of probation. On successful completion of the probation period, your services will be confirmed. However, if we are not happy with your skills and performance, we may deny confirmation or extend your probation period.
- **Compensation:** During your training period, you will receive a monthly stipend of INR 22,000 (Twenty Two Thousand Rupees Only). On completion of your training, your monthly salary will be **INR 44,000 (Forty Four Thousand Rupees Only)**. Please refer Annexure 1 for salary break-up.
- **Performance Appraisal:** Your performance will be evaluated every six months from the beginning of your probation period. Based on your performance, your salary will be revised, under normal circumstances.
- **Work Hours:** We normally work from Monday to Friday, from 8:30 AM to 5:30 PM with a one hour break for tea and lunch. However, you might be asked to work in different time shifts if your project demands it.
- **Vacation:** After completion of your training period, you will be eligible for 20 paid leaves a year, available on a pro-rata basis. The company has a Holiday Calendar that runs from January 1st to December 31st, every year.
- **Notice Period:** You will have to serve a two-month notice period in QBurst, from the date of acceptance of your resignation.
- **Other Employee Benefits:**
 - **Provident Fund:** You are eligible to participate in the Voluntary Provident Fund scheme, set up in accordance with our company policy.
 - **Gratuity Scheme:** You are eligible for gratuity after five years of continuous service with QBurst and in accordance with the Payment of Gratuity Act, 1972.

Dear Rajeesh,

Please see whether the interview schedule for Mechanical and Mechanical-Automobile Engineering can be rescheduled since those students are on industrial tour and wo students are shortlisted for the next round, I request you consider the possibility.

I have also noticed that some students have entered their branch wrongly (as Advanced computing, Science) in the registration portal. I am attaching the corrected list also
Thanks and regards

Mu Sigma

Date: July 19, 2022

Mohammed Yasin A
Candidate ID:C2023190
Sree Chitra Thirunal college of engineering

Dear Mohammed ,

Congratulations - We are thrilled to invite you to embark on a Decision Sciences journey with Mu Sigma, the world's largest pure-play Big Data Analytics & Decision Support company. With a worldwide footprint, Mu Sigma acts as a Transformation Sherpa for its customers in their endeavor to change the way they compete.

Since inception, Mu Sigma has challenged traditional paradigms of learning modes, problem-solving, decision-making, and leadership to enable and accelerate the journey of young problem-solvers into global leaders that transform the journey of Fortune 500 organizations. **Our model has demonstrated that young and fearless decision sciences leaders can be groomed through unrivaled training & unparalleled work experience.**

With Mu Sigma, you belong to a special category of people who are not only building a path-breaking Company, but also laying the foundation for a new industry. You have a rare opportunity to be part of a team that is defining the space of decision sciences, as well as challenging widely held business practices and beliefs along the way.

At Mu Sigma, you will be challenged and you will challenge every day – you will be encouraged and rewarded for questions over answers, for challenging the status quo, for asking 'why not' over 'why', for being daring enough to counter experience with experiments, and for being bold enough to question traditional knowledge with new learnings. You will solve complex problems for Fortune 500 giants across Retail, Healthcare, CPG, Insurance, Automobile, and many other industries by combining Math, Business Acumen, Technology, Behavioral Sciences, and Design Thinking.

We trust you are as excited as us by the opportunities the future holds, and if you are committed to evolving into an elite decision sciences leader, **we invite you to undertake this journey with us.**
