Date of Birth	09/Dec/1996	Date of Test	27th Nov 2022

Section		Section		Section		Total	
Verbal Ability & Reading Comprehension		Data Interpretation & Logical Reasoning		Quantitative Ability			
Scaled Score	Percentile	Scaled Score	Percentile	Scaled Score	Percentile	Overall Scaled Score	Overall Percentile
19.27	83.81	10.42	77.21	11.38	78.36	41.07	84.68

Instructions:

1. Only those candidates who have taken the Common Admission Test (CAT 2022) are entitled to receive the score card. Keep a print-out of this score card for your information pertaining to CAT 2022. You will not receive the score card by email or by post.

2. The Overall Scaled Score is the sum of the scaled scores of the candidate in the three sections.

3. Percentile refers to the percentage of candidates who receive a scaled score less than or equal to the scaled score obtained by the candidate.

4. IIMs and Non-IIM member institutions independently decide how to use CAT 2022 scores in line with their own selection process. The scores are to be used only for selecting the candidates to their respective Post Graduate/Doctoral (Fellow) Programme(s) in Management.

5. Detection of instances of incorrect information and process violation by a candidate at any stage will lead to disqualification of the candidate. CAT scores of such candidates who are disqualified will become null and void. Such disqualified candidates will not be allowed to appear for CAT in future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification and the associated penalties will take place with retrospective effect.

6. All queries regarding post-CAT 2022 selection process must be directed to the respective IIMs. CAT Centre will not answer post-CAT queries.

7. CAT 2022 score is valid only until 31st December 2023 and is subject to the candidate meeting the minimum eligibility marks in the qualifying examination. The score card will be available on www.iimcat.ac.in till 31st December 2023 to download.

8. Webmail support cat2022@iimb.ac.in & cathelpdesk@iimcat.co.in will be available till 31st March 2023.

Prof. Ranjan Bhattacharyya
Organising Chairman, GATE 2022
on behalf of NCB−GATE, for MoE

7808e9ca6989cd8215c3b83a40fc1da2

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

S_q = 350, is the score assigned to M_q

S_t = 900, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) − GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

About Your *GRE®* Score Report

Score Reporting Policies

With the *ScoreSelect®* option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration

- All option – Send your scores from all administrations in the last five years

- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the *GRE® Information Bulletin* for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

TEST TAKER SCORE REPORT

Note: This report is not valid for transmission of scores to an institution.

Arjun E. Kuriakose

Most Recent Test Date: September 3, 2022

Date of Birth: November 5, 1997

Registration Number: 1273651
Print Date: November 22, 2022

Retaking a GRE Test

You can take the *GRE*® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and *GRE*® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at **www.ets.org/gre/test-takers/general-test/scores/understand-scores** .

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at **gre-info@ets.org** or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Decision on admission to the Master's programme

On the grounds of Article 7.30b of the Dutch Higher Education and Research Act the dean of the Faculty of Science has admitted:

Name: A Enamattam Kuriakose
Student ID number: 14867125
Date of birth: 5 November 1997

to the Master's programme Security and Network Engineering for the academic year 2023 - 2024.

This admission decision is a condition of enrolment as a student at the University of Amsterdam. In order to successfully enrol, you must meet all enrolment requirements no later than 1 September 2023. For more information, go to uva.nl/application.

Date: 7 April 2023
E-mail: admissions-science@uva.nl
Subject: Request for admission Master Security and Network Engineering

Dear Arjun Enamattam Kuriakose,

We are pleased to inform you, based on the documents you have submitted, that we have concluded that your previous education meets the requirements for enrolment in the Master's programme Security and Network Engineering at the University of Amsterdam starting 1 September 2023. Your eligibility implies that you are allowed to participate in this Master's programme.

Admission to the programme can only be completed if you obtain your Bachelor's degree before 1 September 2023. In order to finalize your enrolment you have to provide the documents which state that you have obtained your Bachelor's degree.

In order to confirm your participation in the programme, please inform us within two weeks of your intentions through DataNose. You will find the link to your confirmation at `https://datanose.nl/#enrolmaster`.

You can check the status of your application and find the instructions in order to finalize your enrolment at `https://datanose.nl/#enrolmaster`. Log in using your UvAnetID.

If you have any questions regarding this decision, please do not hesitate to contact admissions-science@uva.nl.
If you have any questions regarding the enrolment procedure, please contact master-science@uva.nl.

Best regards,
On behalf of the Dean

drs. ing. N.P.H. Sijm
Chair Admissions Board

Appeals against this decision may be lodged within six weeks of the decision with the UvA Examination Appeals Board (COBEX, College van Beroep voor de Examens) P.O. Box 19268, 1000 GG Amsterdam.

Prof. Ranjan Bhattacharyya
Organising Chairman, GATE 2022
on behalf of NCB−GATE, for MoE

c53fe7d97cebb27accaa6b91cbae7598

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
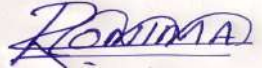

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) − GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Prof. Preetamkumar M. Mohite
Organizing Chairman, GATE 2023
on behalf of NCB–GATE, for MoE

3c1fc9db74ddfa5119b1020ced85ec0c

* A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

General Information

The GATE 2023 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q)\frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2023 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

S_q = 350, is the score assigned to M_q

S_t = 900, is the score assigned to M_t

In the GATE 2023 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2023 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
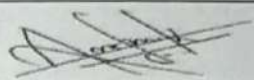

Graduate Aptitude Test in Engineering (GATE) 2023 was organized by Indian Institute of Technology Kanpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.
