Wipro Pre - Joining Program | Candidate Activity Status

Dear Academic Partner,

Greetings from Wipro!

We have launched the Pre-Joining Program (PJP), a self-directed learning initiative, specially designed to keep the students abreast of the latest trends and technologies in the IT industry. The objective of this program is to essentially

help them learn the foundations of technologies relevant in today's digital world and simultaneously prepare for the future work.

The Pre-Joining Program (PJP) has been hosted online through our in-house application in the month of Fab. PBLApp (Project Based Learning Application). It can be accessed via internet 24x7 from any location. This course will offer online self-directed learning modules through which the students can learn the required suits at their convenient time, place and pace.

It has been noticed that the on campus students have not participated yet, this is a real concern as we have students from your college who have not logged in. Request you to please drive this activity immediately to 100% success. Please ask the students to complete this program during these holiday period. Most of the students have just logged in but not completed or put any efforts to complete the program. Please ask them to finish the module

Dear Dr. Prakash and Team,

Hope your students had wonderful time attending the drive as we had conducting it!

Thank you for extending uninterrupted support for the smooth conduction of the Campus Drive. We take immense pleasure in sharing the list of students who were the part of Cheag India's Campus Drive for the profile of "Subject Matter Experts". List attached include the names of all those students who are finally selected.

Kindly inform your students that, all the information related to onboarding will be mailed on student's registered email id. Also, our team will soon connect with them on their registered mobile number. They will be getting their login credentials of the Chegg Portal and then they can start working as per their convenience.

Wishing all the students, All the Best for their new Journey with Chegg!! See you Onboard!
