Dear Prof Prakash,

We are delighted to share the **list of students from your institute who have cleared the interview round to receive a final job offer for** Systems Engineer role through Infosys Campus Recruitment Program 2021-22. Please refer to the attached excel sheet to see the list.

Kindly communicate the results with the selected students and confirm the offer acceptance status for each student immediately. We will share the joining process with you in the due course of time. Over the next few days, we will be sending the selection confirmation to all students through email.

Please note, this is a conditional job offer subject to background verification of the candidate. If falsification of data is detected during the background verification process, Infosys will revoke the job offer made to the candidate.

Thank you partnering with us for Infosys Campus Recruitment Program this year.

In case of any queries, please reach out to me.

We are looking forward to a good participation and conversions from your institute.
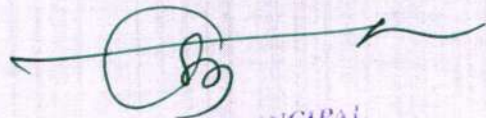

Best regards,

Abraham John

Campus Hiring - 2022

From internship to higher education
We have you covered!

Dear Professor,

Greetings from Campus Recruitment Team!

After an exciting Hiring season, we are happy to share the most awaited **Final Consolidated Results** for the Interviews conducted for the **Campus GenC, GenC Elevate and GenC Next.**

Our **heartiest congratulations** to all the selected candidates & we look forward to onboard them into the Cognizant fraternity.

We would like to extend our gratitude for collaborating with us in our completely virtual recruitment process and helping us make it a success. Once again, we would like to appreciate the partnership between Cognizant and your esteemed institution by which we have been able to identify the best talents and build a strong and skilled digital workforce. We look forward to our continued association and to further strengthen our position as the **Employer of Choice.**

Please find the final results attached for GenC, GenC Elevate & GenC Next here with for your college. GenC Pro results will be announced shortly.

Note: The LOI (Letter of Intent) will be released to the shortlisted candidates shortly. Acceptance of LOI will be considered as the offer acceptance & we will keep you updated on the progress.

Disclaimer:

- At any point in time, if the self-profile declared by the student during the registration process is found to be false or if the student is found to have indulged in any sort of malpractice, this confirmation will be withdrawn
- The selected candidates are subject to **internal audit process**. In case, any observation is found to be inappropriate, it will lead to a withdrawal of the selection.
- Kindly consider this as the final list of candidates who **successfully cleared all rounds** of the GenC, GenC Elevate & GenC Next recruitment processes.
- We request you to thoroughly validate the candidates' authenticity i.e. If any candidate(s) from the attached list is not from your respective college, please let us know. At the time of background verification, such candidates will get disqualified.
- Cognizant takes its hiring practices seriously and appreciates you keeping the Company informed of any individuals posing as Cognizant employees who make false job offers using Cognizant's name. We remind you that while recruiting employees, Cognizant will only communicate with you through authentic Cognizant email addresses and Cognizant will never extend any job offers to anyone based on an online application without first conducting an in-person, video, or telephone interview through verified encrypted channels. If any such mails purporting to come from Cognizant are received, we advise you to contact us at GenCHRComplianceIND@cognizant.com

Regards,
