Dear Sir,

As discussed, please find the updated guidelines to be followed.

- A group of employees from QBurst will be reaching the campus at 9.30AM (on 27-Sep-22, Tuesday).
- We will have a presentation session before the assessment test.
- Colleges have to provide labs to accommodate students for online tests.
- Computers should have a good internet connection and the latest browsers (Chromium/Firefox/Safari).
- Students' laptops can also be allowed if required, along with an internet connection.
- Students will receive mail from the Evalgator tool days before the test.
- Students have to register for exams via the Evalgator tool at least a day prior to the exams and not to "Sign Up" in Evalgator.
- The registration email may ask for Web cam as compulsory. You may inform students that it can be ignored.
- Evalgator Credentials (username/password) should be with the students at the time of the test.
- Students should carry the college ID card for the exam, and should be with them during the exam.
- Working sheets should be provided by the colleges.
- Discussions, chatting, browsing other websites are not allowed during online exams.
- We are conducting the assessment test alone on the same day and shortlisted candidates can be invited for a face to face discussion later in our

Dear Mohammed ,

Congratulations - We are thrilled to invite you to embark on a Decision Sciences journey with Mu Sigma, the world's largest pure-play Big Data Analytics & Decision Support company. With a worldwide footprint, Mu Sigma acts as a Transformation Sherpa for its customers in their endeavor to change the way they compete.

Since inception, Mu Sigma has challenged traditional paradigms of learning modes, problem-solving, decision-making, and leadership to enable and accelerate the journey of young problem-solvers into global leaders that transform the journey of Fortune 500 organizations. **Our model has demonstrated that young and fearless decision sciences leaders can be groomed through unrivaled training & unparalleled work experience.**
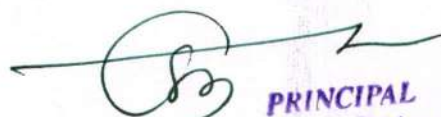

With Mu Sigma, you belong to a special category of people who are not only building a path-breaking Company, but also laying the foundation for a new industry. You have a rare opportunity to be part of a team that is defining the space of decision sciences, as well as challenging widely held business practices and beliefs along the way.

At Mu Sigma, you will be challenged and you will challenge every day – you will be encouraged and rewarded for questions over answers, for challenging the status quo, for asking 'why not' over 'why', for being daring enough to counter experience with experiments, and for being bold enough to question traditional knowledge with new learnings. You will solve complex problems for Fortune 500 giants across Retail, Healthcare, CPG, Insurance, Automobile, and many other industries by combining Math, Business Acumen, Technology, Behavioral Sciences, and Design Thinking.

We trust you are as excited as us by the opportunities the future holds, and if you are committed to evolving into an elite decision sciences leader, **we invite you to undertake this journey with us.**

Request you to note the below important points to re-iterate to the students:

- The job locations for the selected candidates will be at the sole discretion of our company on the basis of project requirements as we have our offices in Chennai, Pune, Bangalore, Thiruvananthapuram and Hyderabad.
- The selected candidates will have to sign a bond with our company for two years
- CTC on offer is 3.75 LPA for B Tech Graduates, 5 LPA for MCA candidates.
- We will only consider the stream/Department the students have appeared the aptitude test and hence find the below streams/Department each student will be offered for.
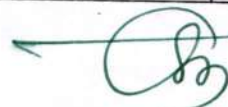

Regards,

Shilpa

Dear All,

We would like to thank each one of you to support us for the physical campus drive.

We have completed the HR round with the following students. Request you to share the resumes/profiles for the below candidates.

We will be presenting the complete data/feedback of the below students to our management and a final assessment will be taken further to conclude on the selection.

We have given our best evaluation on the selected students, which are unbiased. We are looking for a long-term engagement with all the colleges and looking forward for more talents in coming years too.
